## Freedom of Expression at Maffra Art Space

**W**ORKS from the Fulham Correctional Centre Aboriginal Art Program is on display at the Maffra Exhibition Space.

**Freedom of Expression** celebrates the work of the Fulham Aboriginal Art Group which participates in the Fulham Correctional Centre Aboriginal Art Program.

The program aims to develop new outlets for creative expression among its participants, many of whom are incarcerated far away from friends and family. The high standard of the artworks is a testament to the success of the program, and demonstrates creativity is not bound by physical freedom, but is a limitless source of energy that comes from within.

The exhibition will run until March 2.
